

**NOTICE OF PERMIT HEARING OF THE CENTRAL TEXAS
GROUNDWATER CONSERVATION DISTRICT**

Notice is hereby given that the Board of Directors of the Central Texas Groundwater Conservation District (“District”) will hold a Permit Hearing on Friday, April 15, 2011 at 9:00 a.m. in the District office located at 225 S. Pierce Street, Suite 104, Burnet, Texas.

Notice is hereby given that an application for a new well has been determined to be administratively complete. The Permit Application and this notice are in accordance with District Rule 3.62 Operating Permit for New Wells (c) Smaller Wells. Operating Permits issued pursuant to § 3.62 (c) are issued with authorization to drill, complete, and operate a new, non-exempt well proposed to produce 10 acre-feet of water per year or less, or that will have a maximum capacity of 50 gallons per minute or less, may be issued as a single permit, in the form of an Operating Permit.

Specific Information

Applicant: Alamo Concrete, P.O. Box 1149, Marble Falls, Texas 78654

Address of well location: 5525 North US 281

Annual Production Request: 3 acre feet **Pumping Capacity:** 10 gallons per minute

Purpose of use of the water: Production of Concrete

Action by General Manager

The General Manager has determined the Permit Application to be administratively complete and to recommend approval of the Permit Application to the Board of Directors at a properly noticed Board Meeting to be held at 9:00 a.m. on Friday, April 15, 2011 at the District office, 225 South Pierce, Suite 104, Burnet, Texas 78611

Protest Application

On or before April 15, 2011 an affected person may formally protest the application by submitting a contested case hearing request using the procedures provided for in Section 7.60 of the District Rules.

Information

For specific information about the permit application or submitting a contested case hearing request, contact the District at 512-756-4900 or 225 S. Pierce, Suite 104, Burnet, Texas www.centraltexasgcd.org.

Certification: I, the undersigned authority, do hereby certify that on March 31, 2011 at or before 5:00 p.m., I posted and filed the above notice with the Burnet County Clerk’s office and posted a copy in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District office and that they will remain so posted continuously preceding the scheduled time of action on the said Permit Application I also certify that a copy of this Notice has been scheduled to be published in a newspaper of general circulation in the District no less than 10 calendar days before action on the said Permit Application. This Certification is in accordance with the Central Texas Groundwater Conservation District Rules §3.66.

Richard S. Bowers, General Manager Central Texas Groundwater Conservation District
